**Re: 1227 EASTLAKE PW.  
PROJECT NUMNER IR17-0021  
NOTICE OF APPLICATION**

Ms. Young:

Thank you for the opportunity to comment on the proposed above mentioned project. Please be advised that this project is within the boundaries of Olympic View Elementary School, which serves children from Kindergarten to Grade 6. The District anticipates that the capacity at Olympic View Elementary school will be sufficient to accommodate the students generated by the proposed project.

The 26 planned dwelling units are within the boundary of CVESD Community Facilities District No. 1, which is mitigated by a fee of \$1,541.75/du due at the time the permit is pulled and a 25-year annual tax assessment.

The District is in support of the plans regarding the re-design of the pedestrian access in the pedestrian easement adjacent to Olympic View Elementary as well as the additional parking that will be made available for the use of the staff and parents.

If additional information is needed, please give our Facilities Planning Department a call at (619) 425-9600, Extension 1374.

Sincerely,
