

RESOLUTION NO. _____

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
CHULA VISTA ADOPTING THE WATER STEWARDSHIP
PLAN AS A POLICY FRAMEWORK DOCUMENT TO ASSIST
IN WATER CONSERVATION, REUSE AND CLIMATE
ACTION PLAN IMPLEMENTATION

WHEREAS, in 2014, City Council adopted Resolution 2014-224 accepting the Climate Change Working Group's recommendations to the City's Climate Action Plan directing staff to incorporate the recommended actions into the Climate Action Plan; and

WHEREAS, the Climate Action Plan contemplated the development of a water reuse master plan [Water Conservation and Reuse Section, – Item 3. A. *Develop a Water Reuse Master Plan to maximize the use of storm water, recycled water (such as indoor commercial use), and onsite water reclamation*]; and

WHEREAS, City staff, along with consultants, put together a very collaborative process to develop the Water Reuse Master Plan which through the work process was renamed to the Water Stewardship Plan; and

WEREAS, The San Diego Foundation and the Bloomberg Award for Local Sustainability Matching Fund – a project of the Funder's Network for Smart Growth and Livable Communities, supported Chula Vista's efforts with a grant for \$135,000 and will use this process and Water Stewardship Plan as a model for other jurisdictions.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Chula Vista, that it adopts the Water Stewardship Plan, in the form presented, and directs staff to incorporate it into the Climate Action Plan, to guide water reuse, conservation and climate resiliency activities.
