RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CHULA VISTA DECLARING THE CITY'S INTENTION TO FORM UTILITY UNDERGROUNDING DISTRICTS ON F STREET FROM BAY BOULEVARD TO BROADWAY (UUD #141) AND ON F STREET FROM BROADWAY TO FOURTH AVENUE (UUD #142) AND SETTING THE DATE OF THE PUBLIC HEARING FOR NOVEMBER 21, 2017

WHEREAS, since 1995, a total of 20 utility undergrounding projects have been completed, and the City currently has a positive balance in the utility undergrounding fund; and

WHEREAS, the City's consultant is finishing up the F Street Promenade Study, which envisions F Street as a gateway to the City, connecting the future Bayfront development to the Civic Center area and downtown Third Avenue; and

WHEREAS, the recommended improvements include bike paths, landscaping, and various pedestrian enhancements. The undergrounding of utilities along F Street would enhance the beautification of the area; and

WHEREAS, staff recommends forming two undergrounding districts on F Street from Bay Blvd. to Broadway (UUD # 141) and from Broadway to Fourth Avenue (UUD #142); and

WHEREAS, since pavement and facility renovation is most needed between Bay Blvd. and Broadway, staff recommends that undergrounding be originally initiated in the portion of F Street from Bay Blvd. to Broadway.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Chula Vista, that it declares the City's intention to form Utility Undergrounding Districts on F Street from Bay Boulevard to Broadway (UUD #141) and on F Street from Broadway to Fourth Avenue (UUD #142) and sets the date of the public hearing for November 21, 2017.
