

RESOLUTION NO. 2011-131

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CHULA VISTA WAIVING THE COMPETITIVE FORMAL BID REQUIREMENT AND AUTHORIZING THE POLICE AND FIRE DEPARTMENTS TO PURCHASE RADIOS FROM MOTOROLA SOLUTIONS INC VIA THE COUNTY OF SAN DIEGO'S MOTOROLA CONTRACT NUMBER 43095

WHEREAS, the San Diego County-Imperial County Regional Communications System, which is managed by the San Diego Sheriff's Department, provides radio communications service to public safety and public service agencies; and

WHEREAS, member agencies of the Regional Communications System utilize standardized radio equipment to provide better coordination and response efforts for first responders during both day-to-day and emergency operations; and

WHEREAS, sole source authorization to purchase radios from Motorola Solutions Inc is sought based on the operational need to have the disaster radios operate identically and be completely interchangeable with the day-to-day radios in use now; and

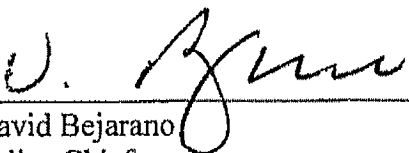

WHEREAS, the County of San Diego has negotiated a contract with Motorola for the provision of radios (Contract Number 43095); and

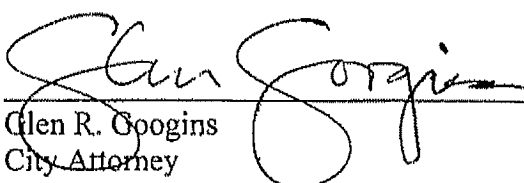

WHEREAS, the Police and Fire Departments currently use Motorola radios and it is simply a matter of first responder safety that the radio manufacturer remain the same as the existing fleet.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Chula Vista does hereby waive the competitive formal bid requirement and authorize the Police and Fire Departments to purchase radios from Motorola Solutions Inc via the County of San Diego Motorola (Contract Number 43095).
