Subject: Bid Price Adjustment

Dear Rosina,

As discussed during our phone conversation. I acknowledge the bid price error for bid item number eight and request to change the total cost for the item from \$2362.50 to the correct cost of 2361.00. Also the adjustment of item 8 changes the grand total for the bid from \$226,068.57 to the new grand total of \$226,067.07. I have review the prices and agree with the changes.

Thanks you,

Matt Sciborski
Project Manager, Sancon Engineering Inc.
