Senior Club - 1st vice present, Norman Park Senior Center

20. What are your principal areas of interest in our City government, and what experience or special knowledge can you bring to those areas?

My main interest for the city of Chula Vista is the inclusion of our senior citizens. As I myself get older I find the social needs to be important. My involvement began about four years ago. While I was the 1st Vice President for the Senior Club at the Norman Park Senior Center, I saw so many possibilities for additional senior events. Since then many activities have been added and the seniors, in this area of Chula Vista, have positively responded by packing the house.

While participating in the PEP4PA, a UCSD studying on the improvement walking makes in seniors, I saw first hand the morale of our participants improve. Not to mention the strength and stamina of our participant improve by more than they even imagined.

21. What would you hope to accomplish in the role of a Member of the Commission on Aging? (250 words or less)

So many of our senior citizens need social activities. I would like to see other recreation centers, in Chula Vista, designate a portion of their facility to a variety of activities for our seniors.

Affordable transportation to and from doctor appointments, grocery shopping, as well as social activities is needed. I would like to find a solution through partnering with cab companies, Uber, and/or Lyft to have discounts. Maybe community groups or churches would be able to help in this area.

Another challenge is wait time in hour clinics and emergency rooms. I feel Chula Vista needs more clinics to help lessen the wait time for our seniors when non-life threatening emergencies, arise.

22. You may upload a resume in addition to your application (optional).

23. The City understands meeting schedules and individual's availability may change. We ask that you consider the meeting schedule when submitting an application.

Thank you,
