RE: TAVA Request to the City of Chula Vista to Authorize Temporary Road Closures on Third Avenue

Dear Mr. Crockett,

As you know, TAVA and the City of Chula Vista have been working together to see how best to facilitate the periodic and temporary closing of Third Avenue to support the local businesses to attract consumers while being compliant with the social distancing mandates associated with COVID-19.

At the regularly scheduled TAVA Board Meeting on July 1, 2020, the TAVA Board of Directors voted to submit a request to the Chula Vista City Council to authorize the closing of Third Avenue from E Street to Park Way while leaving the east to west cross streets of Davidson and F Street open for emergency vehicles and for access to public parking. The TAVA Board is recommending that the closing begin on Saturdays at 2:00 p.m. and to remain closed until 10:00 p.m. on Sundays. The TAVA Board is also requesting that the City of Chula Vista authorize TAVA to oversee the road closure as an additional responsibility under the terms of the Maintenance Agreement.

Thank you for the consideration,

Luanne Hulsizer  
Executive Director
