Ms. Irene Mosley
Staff Liaison to Civil Service Commission
City of Chula Vista Human Resources Department
276 Fourth Avenue, Bldg. C
Chula Vista, CA 91910

Dear Ms. Mosley:

It is with deep regret that I submit my resignation as Commissioner on the Civil Service Commission effective December 1, 2014. It has been a distinct pleasure serving the City of Chula Vista in my capacity as Commissioner. This experience provided me with greater awareness and first hand information about our great City. I also had the opportunity to serve with outstanding fellow Commissioners and learned so much from them.

In addition, I witnessed the loyal commitment of the Human Resources Department staff to the City and citizens of Chula Vista. They are all to be commended for such dedication. In particular, you, Irene, have been highly instrumental in providing me with much assistance during my service on the Commission.

I will be retiring in December 2014 and residing in both California and Texas during the year. It will be challenging to attend all Commission meetings on a monthly basis. It would be much more beneficial to the City to select a replacement that can consistently attend all meetings and related commitments.

Please extend my appreciation to your HR staff for all of their assistance.

Sincerely,

Sandra Villegas-Zuniga
