

RESOLUTION NO. \_\_\_\_\_

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF  
CHULA VISTA AUTHORIZING THE CITY OF CHULA VISTA  
OR ITS DESIGNEE TO ENTER INTO A SOLE SOURCE  
PURCHASE WITH PIERCE MANUFACTURING FOR THE  
ACQUISITION OF A PIERCE ARROW XT TRIPLE  
COMBINATION PUMPER/FIRE ENGINE

WHEREAS, The Fire Department delivers Fire and Emergency Medical Services to the residents, visitors, and employees every day and our primary emergency response vehicle is a Pierce Triple Combination Pumper/Fire Engine; and

WHEREAS, the Fire Department is requesting authorization to enter into a sole source purchase with Pierce Manufacturing to purchase a Pierce Triple Combination Pumper/Fire Engine to replace an existing front line Pumper, which will be placed into reserve status; and

WHEREAS, the total cost to purchase the Fire Engine is \$611,874, which will be paid with funds already included in the FY2014-2015 adopted budget; and

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Chula Vista does hereby authorize the City of Chula Vista or its designee to enter into a sole source purchase with Pierce Manufacturing for the acquisition of a Pierce Arrow XT Triple Combination Pumper/Fire Engine.
