RE: RENEWAL OF SEVEN MILE CASINO OPERATING AGREEMENT

Hon. Mayor and Council,

I strongly support the renewal of Seven Mile Casino Operating Agreement as it will come to your vote on Tuesday, July 23th, 2019.

Seven Mile Casino has been a community partner for the City of Chula Vista from the day they opened their doors. They have invested in our people through contributions to charitable causes and city driven events and programs. They have also made capital investments to make sure their establishment, and its expansion, are of the highest quality- which raises the worth of our city as well as the quality of life for all Chula Vistans.

I am a lifelong resident of the city and a vested community member, please vote yes to support the ongoing operations of Seven Mile Casino as it is becoming a positive and identifiable icon of our City.

I urge you to ensure the renewal of Seven Mile Casino Operating Agreement as it comes to council.

Respectfully,

Jennifer Bustamante
