

**SECOND AMENDMENT  
to Agreement between the  
City of Chula Vista  
and  
Clean Harbors Environmental Services, Inc.  
For Turn-key Household Hazardous Waste and Conditionally Exempt Small Quantity  
Generator Waste Management Services**

This SECOND AMENDMENT (“Second Amendment”) is entered into effective as of March 16, 2021 (“Effective Date”) by and between the City of Chula Vista (“City”) and Clean Harbors Environmental Services, Inc. (“Contractor/Service Provider”) with reference to the following facts:

**RECITALS**

WHEREAS, City and Contractor/Service Provider previously entered into Agreement Between the City of Chula Vista and Clean Harbors for Turn-key Household Hazardous Waste and Conditionally Exempt Small Quantity Generator Waste Management Services (“Original Agreement”) on July 11, 2017; and

WHEREAS, on or about July 1, 2019, the City and Contractor/Service Provider executed the first Notice of Exercise of Option to Extend Agreement (“First Option”) extending the term of the Agreement through June 30, 2020 with a maximum compensation amount for the First Option of \$255,000; and

WHEREAS, on or about April 1, 2020, the City and Contractor/Service Provider entered into a first amendment to the Original Agreement (“First Amendment”) to increase the maximum amount to be paid during the First Option to \$350,000 on the terms therein; and

WHEREAS, on or about July 1, 2020, the City and Contractor/Service Provider executed the second Notice of Exercise of Option to Extend Agreement (“Second Option”) extending the term of the Agreement through June 30, 2021 with a maximum compensation amount for the Second Option of \$255,000; and

WHEREAS, the Original Agreement, First Option, First Amendment, and Second Option may collectively be referred to herein as the “Agreement”; and

WHEREAS, City and Contractor/Service Provider desire to amend the Agreement to increase the maximum amount to be paid to Clean Harbors Environmental Services, Inc during the Second Option term and future option terms, as applicable, as more specifically set forth below.

NOW, THEREFORE, in consideration of the above recitals and the mutual obligations of the parties set forth herein, City and Contractor/Service Provider agree as follows:

1. Exhibit A, entitled Amended and Restated Scope of Work and Payment Terms is hereby attached hereto and incorporated herein by this reference.
2. Except as expressly provided herein, all other terms and conditions of the Agreement shall remain in full force and effect.
3. Each party represents that it has full right, power and authority to execute this [Second Amendment and to perform its obligations hereunder, without the need for any further action under its governing instruments, and the parties executing this Second Amendment on the behalf of such party are duly authorized agents with authority to do so.

**2. Required Services**

A. General Description:

Provide the necessary labor, materials and equipment to legally operate a permanent household hazardous waste collection facility, temporary household electronic and universal waste collection events (four per year), door-to-door household hazardous waste collection.

B. Detailed Description: [ ]

Task	Description	Deliverables	Completion Date
1	Operate the City of Chula Vista permanent household hazardous waste collection facility.	<p>. Contractor shall:</p> <ul style="list-style-type: none"> <li>• Provide the necessary labor, materials and equipment to legally operate the City-owned regional permanent household hazardous waste collection facility (PHHWPF) available for residents to drop-off household hazardous waste during hours of operation.</li> <li>• Track, collect, package, transport, recycle, treat and dispose of waste provided to the PHHWPF</li> <li>• Select the appropriate treatment, recycling, storage and disposal sites for all hazardous materials collected at the facility or events using the best environmentally sound methods of waste processing hierarchy to include recycling, incineration, and landfilling as the least desirable option. All sites chosen for temporary storage, treatment, recycling and/or disposal shall be fully permitted under local, state and federal laws. Contractor shall also be responsible for providing a waste analysis report that includes identifying the proposed disposal method for each waste stream, all proposed transporters and</li> </ul>	The initial term of the agreement awarded as two (2) years with an additional five (5) one (1) year options to renew at the City's sole discretion.

		<p>treatment, storage, and disposal facilities (TSDFs) which will be utilized to dispose of waste collected and all subcontractors. Transportation of all materials collected to the appropriate facility and from that facility to any secondary management facilities as required.</p> <ul style="list-style-type: none"> <li>• Manifest, load and transport all conforming hazardous materials collected at the PHHWPF including Conditionally Exempt Small Quantity Generators (CESQG) generated wastes.</li> <li>• Contractor shall perform these services in full compliance with all applicable Federal, State and local laws, rules, regulations, including local enforcement agencies for traffic control and orders of all regulatory agencies.</li> <li>• Provide one trained, qualified and dedicated Project Manager to the program for technical assistance and support as well as all routine operational tasks. Project Manager or an equally qualified staff member will be on-site at the PHHWPF to assist and oversee proper hazardous waste packaging and shipments.</li> <li>• Provide one dedicated, qualified Customer Service Representative to</li> </ul>	
--	--	--	--

		<p>the program for all contractual and waste tracking tasks and completion and submittal of all required reports to Federal, State and Local Agencies during normal business hours.</p> <ul style="list-style-type: none"> <li>• Provide City with the following items no later than forty-five (45) days after the month of service: copies of all manifests, bill of lading as well as a monthly report on all the waste collected divided by site, type and amounts of waste collected and invoice for payment along with an itemized listing of car counts.</li> <li>• Prepare and update all reporting documents required by Federal, State and local agencies such as Form 303, facility operations and contingency plan subject to City approval, and prepare an emergency response plan subject for review and approval by local fire marshals for said facilities.</li> <li>• Contractor agrees to provide staff services to transfer applicable permits for the City.</li> </ul>	
2	<p>. Operate the City of Chula Vista's door- to-door household hazardous waste collection program.</p>	<p>. • Program administration to coordinate with City staff to schedule and provide household hazardous waste door-to-door collection service as requested by Chula Vista residents.</p>	<p>The initial term of the agreement awarded as two (2) years with an additional five (5) one (1) year options to renew at the City's sole discretion.</p>

		<ul style="list-style-type: none"> <li>• Complete inventory of materials to be collected</li> <li>• Professional knowledgeable, and friendly staff</li> <li>• Service completed within 10 days of initial request (by phone or email.)</li> <li>• Emergency pickup service available on a case by case basis, under City direction.</li> <li>• Assistance for all disabled and elderly participants requiring additional help in gathering of materials - resident must be at home at the time of collection</li> <li>• On-site inventory, collection, segregation and packaging completed by a trained chemist and/or technician.</li> <li>• Compliance with Health and Safety Standards per OSHA 1910.120.</li> <li>• Manifest Preparation to include Land Disposal Restriction (LOR), Bill of Lading, and Treatment Storage Disposal Facility (TSDF) and any other regulatory documentation as required.</li> <li>• Same-day transportation of all materials to Permanent Site for consolidation and packaging.</li> <li>• Reporting to respective City to include name of resident, date of pick-up and complete breakdown of pounds and/or gallons of material collected by</li> </ul>	
--	--	---	--

		<p>class.</p> <ul style="list-style-type: none"> <li>• Provide City with the following items no later than forty-five (45) days after the month of service: copies of all manifests, bill of lading as well as a monthly report on all the waste collected divided by site, type and amounts of waste collected and invoice for payment along with an itemized listing of homes serviced.</li> <li>• Additional reporting to City pertaining to collection, quantification, processing and transportation of materials paperwork and forms required by CalRecycle, the Department of Toxic Substances Control or any other local, state or federal agency.</li> <li>• Waste Survey and Customer Satisfaction Program</li> </ul>	
3	<p>Conduct four temporary collection events of hazardous waste, universal waste mobilization and staffing costs.</p>	<ul style="list-style-type: none"> <li>• Coordination with City Staff to mutually select the event site location(s)</li> <li>• Event setup and breakdown</li> <li>• Professional knowledgeable and friendly staff</li> <li>• Supplies and equipment</li> <li>• Waste collection, segregation, packaging, transportation, recycling and disposal</li> <li>• Prepare and maintain a facility operations and contingency plan that shall include a contingency plan</li> </ul>	

		<p>for unacceptable wastes such as explosive and biological waste, and prepare an emergency response plan subject for review and approval by local fire marshals for said facilities</p> <ul style="list-style-type: none"> <li>• Permit preparation and submittal</li> <li>• Compliance with Health and Safety Standards per OSHA 1910.120 including all local, state and federal storm water protection laws</li> <li>• Manifest Preparation- to include Land Disposal Restriction (LOR), Bill of Lading, and Treatment Storage Disposal Facility (TSDF) and any other regulatory documentation as required.</li> <li>• Safety meeting prior to each scheduled collection event</li> <li>• Provide City with the following items no later than forty-five (45) days after the event: copies of all manifests, bill of ladings as well as a monthly report on all the waste collected divided by site, type and amounts of waste collected and invoice for payment along with an itemized listing of car counts.</li> <li>• On-going Project Management Meetings</li> </ul>	
--	--	--	--
