DISCUSSION

On March 17, 2020, the Chula Vista City Council, pursuant to Resolution No. 2020-065, adopted and ratified a Proclamation declaring a Local Emergency issued by the Chula Vista Director of Emergency Services ("Emergency Director"). The Proclamation was issued as a result of the worldwide COVID-19 pandemic, which has directly impacted the State of California, County of San Diego, and City of Chula Vista. As of April 14, 2020, the number of cases in the County of San Diego and the City of Chula Vista continues to rise; 10.5% of the County's total cases (202 individual cases) involve residents of the City of Chula Vista.

During this unprecedented time, the City has a duty to take steps to protect the public health of the residents of and visitors to Chula Vista. The City also has an obligation to best utilize the City's resources to respond to the COVID-19 pandemic and the associated ongoing threat to public safety. In an effort to reduce the spread of COVID-19 and best utilize City resources, the Emergency Director issued Emergency Orders 002-2020 and 002-A-2020 on April 9, 2020 and April 10, 2020, respectively. Emergency Order 002-2020 adopted the San Diego Health Officer's Order, as it may be amended from time to time, as a City order so that violations can be enforced using both state law and local law provisions. With Emergency Order 002-A-2020, the Emergency Director issued the following four provisions: (1) ordered that City Council meetings would take place by teleconference until further notice; (2) ordered that City Board, Commission, and Committee meetings are canceled until further notice; (3) ordered that all City parks, including dog parks, are closed, and that City trails are closed where marked closed; and (4) ordered that all essential public and private workers and volunteers wear face coverings if they have contact with the public or prepare food for consumption by the public.

Pursuant to Chula Vista Municipal Code section 2.14.080(F)(1), rules and regulations issued by the Emergency Director must be confirmed by the City Council at the earliest practicable time.

DECISION-MAKER CONFLICT

Staff has reviewed the decision contemplated by this action and has determined that it is not site-specific and consequently, the real property holdings of the City Council members do not create a disqualifying real property-related financial conflict of interest under the Political Reform Act (Cal. Gov't Code § 87100, et seq.).

Staff is not independently aware, and has not been informed by any City Council member, of any other fact that may constitute a basis for decision-maker conflict of interest in this matter.

CURRENT-YEAR FISCAL IMPACT

The COVID-19 pandemic creates a wide range of potential fiscal impacts to the City; however, the subject resolution to ratify and confirm Emergency Orders 002-2020 and 002-A-2020 is unlikely to contribute in any significant way to such current-year fiscal impacts. Staff is evaluating the broader fiscal impact of the current public health crisis, and a comprehensive report will be presented to council in the future.

ONGOING FISCAL IMPACT

The COVID-19 pandemic creates a wide range of potential fiscal impacts to the City; however, the subject resolution to ratify and confirm Emergency Orders 002-2020 and 002-A-2020 is unlikely to contribute in any significant way to such ongoing fiscal impacts. Staff is evaluating the broader fiscal impact of the current public health crisis, and a comprehensive report will be presented to council in the future.
