

# CITY COUNCIL AGENDA STATEMENT

February 5, 2019

File ID: 19-0021

## **TITLE**

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CHULA VISTA APPROVING AN AGREEMENT BETWEEN THE CITY AND WONDRIES FLEET GROUP FOR POLICE INTERCEPTOR VEHICLES

## **RECOMMENDED ACTION**

Council adopt the resolution.

## **SUMMARY**

The City of Chula Vista issued a Request for Bid (RFB) for 12 units of 2020 Interceptor Utility Pursuit Vehicles for the Police Department. As a result of the bid process, the City has selected Wondries Fleet Group to purchase the vehicles.

## **ENVIRONMENTAL REVIEW**

The Director of Development Services has reviewed the proposed activity for compliance with the California Environmental Quality Act (CEQA) and has determined that the activity is not a "Project" as defined under Section 15378 of the State CEQA Guidelines because it will not result in a physical change in the environment; therefore, pursuant to Section 15060(c)(3) of the State CEQA Guidelines, the activity is not subject to CEQA. Thus, no environmental review is required.

## **BOARD/COMMISSION/COMMITTEE RECOMMENDATION**

Not Applicable

## **DISCUSSION**

On December 20, 2018, the City issued a Request for Bid (# B17-18/19) for 12 units of 2020 Interceptor Utility Pursuit Vehicles (Hybrid option) for the Police Department. Before the solicitation closed on January 4, 2019, 171 potential vendors were notified. Five prospective bidders downloaded the information, and two companies (Wondries Fleet Group and Sunroad Auto LLC) submitted bids.

The selection process involved a thorough review to determine whether the bids conformed to the solicitation and whether the bids were considered to be in the best interest of the City, with price, experience and service delivery being considered. Based on this evaluation, the City recommends to purchase Interceptor Utility Pursuit Vehicles from Wondries Fleet Group.

Since 2010, the Police Department has been purchasing vehicles from Wondries Fleet Group. This vendor was selected because they are the lowest bidder at \$42,684 cost per vehicle. The total cost for 12 Police Interceptors is \$512,213.

### **DECISION-MAKER CONFLICT**

Staff has reviewed the decision contemplated by this action and has determined that it is not site-specific and consequently, the 500-foot rule found in California Code of Regulations Title 2, section 18702.2(a)(11), is not applicable to this decision for purposes of determining a disqualifying real property-related financial conflict of interest under the Political Reform Act (Cal. Gov't Code § 87100, et seq.).

Staff is not independently aware, and has not been informed by any City Council member, of any other fact that may constitute a basis for a decision maker conflict of interest in this matter.

### **LINK TO STRATEGIC GOALS**

The City's Strategic Plan has five major goals: Operational Excellence, Economic Vitality, Healthy Community, Strong and Secure Neighborhoods and a Connected Community. The purchase of Police Interceptor vehicles supports the goal of Strong and Secure Neighborhoods by providing adequate resources to the Police Department when responding to critical calls.

### **CURRENT-YEAR FISCAL IMPACT**

The \$512,213 cost of the 12 Interceptor Utility Pursuit Vehicles is already included in the City's Infrastructure, Facilities and Equipment expenditure plan (Measure P funding). Approval of this resolution has no net fiscal impact to the General Fund.

### **ONGOING FISCAL IMPACT**

There is no ongoing fiscal impact for approving the agreement.

### **ATTACHMENTS**

Attachment 1: RFB B17-18/19 for Interceptor Utility Pursuit Vehicles

Attachment 2: Agreement with Wondries Fleet Group for 12 Interceptor Utility Pursuit Vehicles
