

RESOLUTION NO. \_\_\_\_\_

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF  
CHULA VISTA AMENDING CHAPTER 12 (SEWER FEES) OF  
THE CITY'S MASTER FEE SCHEDULE

WHEREAS, the City's existing determination of the Sewer Capacity Charge for food service establishments is set forth in the City's Master Fee Schedule (Fee Schedule), in Chapter 12, "Sewer Fees", Section 12-100, "Construction & Development", Sewer Capacity Charge of the Master Fee Schedule; and

WHEREAS, the Fee Schedule identifies the numerical factor used for converting wastewater generated by a food service establishment into the Sewage Capacity Charge; and

WHEREAS, staff recommends that the Fee Schedule be amended to reflect new numerical factors for such conversion; and

WHEREAS, the new factors are set forth in Exhibit 1, attached hereto and incorporated herein by reference as if set forth in full; and

WHEREAS, the proposed determination of the Sewer Capacity Charge for food service establishments does not exceed the estimated reasonable cost of providing the associated services; and

WHEREAS, the proposed Fee Schedule shall not become effective until 60 days after adoption by the City Council; and

WHEREAS, the Development Services Director has reviewed the proposed activity for compliance with the California Environmental Quality Act (CEQA) and has determined that the activity is not a "Project" as defined under Section 15378(b)(4) of the State CEQA Guidelines because modification to the Sewer Capacity Charge is a fiscal activity that does not involve a physical change to the environment; therefore, pursuant to Section 15060(c)(3) of the State CEQA Guidelines the activity is not subject to CEQA. Thus, no environmental review is necessary.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Chula Vista, that it amends Chapter 12 (Sewer Fees) of the City's Master Fee Schedule in the manner identified in Exhibit 1.
