# 24. What are your principal areas of interest in our City government, and what experience or special knowledge can you bring to those areas?

I am very interested in serving on the Parks & Recreation Commissions and being able to provide my experience and leadership to the City of Chula Vista. As the Community Service Volunteer Coordinator for my command I have established community relationships and engaged our command in multiple community events such as Operation Clean Sweep, Meals on Wheels, Serra High School military appreciation event, and established a Partnership-in-Education with Perry Elementary. I have also served on numerous associations and committees as a Chairman, President, Vice-President, Coordinator, and member so I do understand the importance of working as a team and being able to lead a team to positively impact and engage a community.

### 25. What would you hope to accomplish by your participation?

I would like to be able to impact our families, community, and city by establishing a collaborative effort with our military, business owners, and families in creating a sense of ownership in community programs.

26.

### November 5, 2015

To the Chula Vista Boards & Commissions,

I am currently an active duty service member with 22 years of service in the United States Navy. I have taken advantage of every opportunity to volunteer and serve local communities everywhere the Navy has stationed me and every port that my ships have pulled into. It is now that I have the opportunity to serve my community in a more official capacity while here at my shore duty command.

My interest in serving as a member of the Parks & Recreation Commission stems from my years of experience as a parent of children who have enjoyed utilizing our parks as youth athletes, celebrating parties, and hanging out with families and friends. As an active duty service member we have also enjoyed the use of our parks to celebrate military events and functions. The parks have been a place where our memories have been built and our children learned the value of team work, community involvement, and commitment.

I am ready and willing to provide my leadership, dedication, and cooperation on ensuring our parks and recreational activities continue to improve and provide our community with every opportunity to build memories and establish a sense of ownership in our neighborhoods. Thank you for your time and I am excited and looking forward for an interview.

Sincerely,

Rannsie R. Gregorio

	Hello, I am particularly interested in providing easy and informational knowledge on health and wellness to the community in which I live and work. People are more willing to participate when they know the information is easy to find and access, the activity is meaningful to them and their family, and most importantly, when it can help facilitate and bring people together. I would like to see how the City and local communities can use modern day technology to encourage more family to join community classes and services. In doing so, we can break down barriers between neighborhoods and communities. As outlined in my resume, I have been a leader for the past decade working with different backgrounds and individuals. I am humble and optimistic that my leadership experience will be a positive plus for this commission and for the community. I am also a yoga instructor and am passionate about health and wellness. I believe in organizing events that can bring people together to learn, practice, participate and have fun.
21.	What would you hope to accomplish in the role of a Parks and Recreation Commissioner? (250 words or less)  Hi, I am a full-time working mother, wife and an active yoga practitioner. In my yoga quest, I've learned that when community

and organizations comes together, miracles happen, not only for those who participate in the movements, but also for those who are on-lookers. I am hoping to creating a frequently occurring event at a set meeting place, be it community yoga or whatever it maybe, where family can build habits, have a place to go weekly and be healthy, and to learn about how to be healthy.

Thank you.

22. I understand that to be considered, I must submit a resume along with this application.

# 24. What are your principal areas of interest in our City government, and what experience or special knowledge can you bring to those areas?

I am interested in Veteran's issues and in parks, recreation and open space issues. I bring a diverse background with 35 years of government leadership in both the executive and legislative branches as a civilian and as a senior military Officer. I bring experience as a senior logistics and program management executive with significant leadership experience and expertise in challenging, diverse, fast paced, results oriented organizations. Extensive experience in managing budgets and contracts. Proven performance in developing innovative and effective solutions for demanding time sensitive customers and situations. Strong leadership, technology, communication, and organizational skills. Retired Navy Captain and Iraq war Veteran. I volunteer with the Chula Vista Civilian Emergency Response Team (CERT), the U.S. Forest Service, the U.S. Fish and Wildlife Service and the California State Parks.

### 25. What would you hope to accomplish by your participation?

For the Parks and Recreation Commission, I would hope to improve city services, quality of life, and make Chula Vista a better place to live. I have a strong interest in the parks, recreation, and the environment. We almost lost the Living Coast Discovery Center and I would be interested in ensuring that it remains a destination location in Chula Vista forever. We could work with the U.S. Fish and Wildlife Service to create more recreation opportunities in the Sweetwater Marsh and some of the other open space areas. I would like the opportunity to improve the cleanliness of our canyons and open spaces. I live adjacent to an open space canyon so I am familiar with many of the issues affecting open space. I use our parks and open space on a daily basis.

For the Veterans Advisory Commission, I would like to ensure our military and Veterans are honored, respected and supported. I am a 31-year Navy Veteran and Iraq combat Veteran, so I feel that I understand Veteran's issues and can help

improve support for both the military and veterans in our community. As a six-time reserve unit Commanding Officer, I had to become familiar with issues for military personnel across all pay grades and help find support for their issues. I also had to navigate the VA benefits system upon return from Iraq so I am very familiar with the current VA situation. After all the military does for our country, the city should be a strong supporter of Veteran's and Memorial Day observances.

I am familiar with the responsibilities of the Boards and Commissions for which I am applying. By submitting this application, I hereby attest that the above information is accurate and true.

Thank you,

City of Chula Vista
