Attn: Mr. Patrick Moneda, PE

Dear Mr. Moneda,

Subj.: Mistake in Bidding for Industrial Blvd & Main St. Sewer Improvements (SW292) & Brandywine Ave. Guardrail installation (PC2429)

My final review revealed that a mistake was made in estimating Item 21 "Traffic Control". It appears that the \$6000.00 allotted to the item is significantly less than what I just estimated.

Therefore, based on PCC Section 5103(c), I am requesting that Willkom Inc, bid be withdrawn because the mistake made the bid materially different than what we intended it to be.

If you have any question, please contact me at 619-600-2110.

Sincerely,

Ed Petil, PE, GEC, AVS
