

To Parks & Recreation Commission Council,

I would like to be considered for this community position. Professionally, I am a teacher at San Ysidro School District. As a Chula Vista resident, my family has been active participants at our local recreational centers, youth sports leagues, and community events. To add, I no longer hold a position in a local sports league which may have been a previous issue. Ultimately, I believe that I have the experience in professional environments to work collaboratively with the commission and real life experiences using our Parks and Recreation facilities and programs. I apologize for not being able to meet again in person, and I look forward to an opportunity to serve the residents of our city.

Thanks,

Eric Chaisongkram
