Dear Commission Selection Panel,

Hello, I'm Jennifer Rodriguez. the current Vice-Chair of the Cultural Arts Commission and Commissioner for five years. I have enjoyed the working with this talented and passionate group of arts advocates and I am interested in continuing the mission and goals set before the Cultural Arts Commission.

I have attached my resume and highlighted my strengths in the arts as a musician, teacher, director, composer, author, business owner and CEO/Founder of Music Startups.

It has been an honor to serve our city and this commission, and hope to have the opportunity to make the quality of life through the arts, just a little better.

Sincerely,

Jennifer Rodriguez
