Ballot Question and Ordinance Re: Repeal and Replacement of Chapter 2.59

Ballot Question

Shall the measure to preserve the City's ability to receive state infrastructure funding for public works projects by directing the City Council to replace Chapter 2.59 with policies and procedures that give the City discretion to allow the use of project labor agreements for City public works in a manner consistent with state laws and best practices, including provisions for taxpayer protections, transparency, accountability, and compliance in the contracting process, be adopted?

Ordinance

The People of the City of Chula Vista do ordain as follows:

Section 1. Existing Chapter 2.59 of the Chula Vista Municipal Code is hereby repealed and replaced as provided in Section 2, below.

Section 2. The City Council of the City of Chula Vista shall, within 180 days of the effective date of this ordinance, adopt local policies and procedures that allow City's use of project labor agreements ("PLAs"), and related provisions commonly associated with PLAs, in public works contracting. The policies and procedures adopted pursuant to this section (the "PLA Policies") shall include (a) all of the taxpayer protection provisions required by California Public Contract Code section 2500; (b) such other provisions as may be necessary to be consistent with applicable state law; (c) provisions for transparency, accountability and compliance in the contracting process; and (d) such other provisions as may be approved by the City Council consistent with state law and "best practices" as determined by the City Council.

Section 3. Until such time as the PLA Policies are adopted, the City shall comply with the provisions of California Public Contract Code sections 2500, *et seq.*
