Subject: Recommendations for Chula Vista Active Transportation Plan

Dear Mayor,

I am writing with specific recommendations for the City of Chula Vista's Active Transportation Plan (ATP). The ATP is scheduled to be heard at City Council on March 17th and I hope that these recommendations can be incorporated to ensure that Chula Vista's ATP adequately plans for the needs of cyclists and pedestrians.

We need more safety at school, when we cross the traffic light more safety for pedestrians, for kids and adults. Broadway and Naples Street intersection in the City of Chula Vista needs to be safer.

We sincerely hope that these recommendations can be included in the adopted ATP.

Thank you,

Maira Lopez

Resident of West Chula Vista

I am writing with specific recommendations for the City of Chula Vista's Active Transportation Plan (ATP). The ATP is scheduled to be heard at City Council on March 17th and I hope that these recommendations can be incorporated to ensure that Chula Vista's ATP adequately plans for the needs of cyclists and pedestrians.

It needs to be safer at the traffic lights and the parks on Oxford Street.

We sincerely hope that these recommendations can be included in the adopted ATP.

Thank you,

Lidia Vargas

Resident of West Chula Vista

Dear Mayor,

I am writing with specific recommendations for the City of Chula Vista's Active Transportation Plan (ATP). The ATP is scheduled to be heard at City Council on March 17th and I hope that these recommendations can be incorporated to ensure that Chula Vista's ATP adequately plans for the needs of cyclists and pedestrians.

The signals at Oxford (Street) are not respected by drivers.

The traffic on Palomar Street change very quickly sometimes.

We sincerely hope that these recommendations can be included in the adopted ATP.

Thank you,

Alicia Allen

Resident of West Chula Vista

Subject: Recommendations for Chula Vista Active Transportation Plan

Dear Mayor,

I am writing with specific recommendations for the City of Chula Vista's Active Transportation Plan (ATP). The ATP is scheduled to be heard at City Council on March 17th and I hope that these recommendations can be incorporated to ensure that Chula Vista's ATP adequately plans for the needs of cyclists and pedestrians.

There is a high risk when crossing the intersection at Naples Street and Industrial Boulevard during school hours; drivers make a right turn without paying attention of the kids that go to school

We sincerely hope that these recommendations can be included in the adopted ATP.

Thank you,

Evangelina Sanchez

Resident of West Chula Vista

The ATP is scheduled to be heard at City Council on March 17th and I hope that these recommendations can be incorporated to ensure that Chula Vista's ATP adequately plans for the needs of cyclists and pedestrians.

If you could include the no turn on red Monday to Friday from 7:30am to 4:00pm due to school traffic crossing the street and drivers not being careful of the pedestrians right of way, on Naples Street & Industrial Boulevard intersection.

We sincerely hope that these recommendations can be included in the adopted ATP.

Thank you,

Lorena Gomez

Resident of West Chula Vista
