Dear Sir or Madam,

I am writing to you today regarding the Chula Vista Eviction Moratorium.

Owing to the fact that the City of Chula Vista has not moved into the next phase of the Governor's re-opening plan, many hourly workers have not had their hours even partially restored enabling them to create income. In addition, with one of the highest COVID rates in San Diego County, the South Bay is not likely to move into the next phase that will enable many of these workers to return to their jobs. In short, I do hope that the City Council seriously considers extending the Eviction Moratorium for an additional 60 days.

Thank you.

Thank you,
City of Chula Vista
