RESOLUTION NO. 2020-____

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CHULA VISTA ESTABLISHING THE GANN INITIATIVE APPROPRIATIONS LIMIT FOR THE CITY OF CHULA VISTA FOR FISCAL YEAR 2020/21

WHEREAS, Article XIIIB of the California Constitution, approved by the voters in 1979, imposed the concept of spending limits on local governments; and

WHEREAS, this Constitutional provision and related implementing legislation specifies that annual increases in appropriations financed from "Proceeds of Taxes" are limited to a base year (1978-79) amount increased annually by an inflation factor comprised of the change in population of the City combined with the greater of the change in new non-residential construction or the change in the California per capita personal income; and

WHEREAS, by definition, "Proceeds of Taxes" includes such revenues as property taxes, sales and use taxes, utility users taxes, transient occupancy taxes, and state subventions; and

WHEREAS, revenues from other sources like fees/charges and federal grants are considered "Non-Proceeds of Taxes" and are not subject to the annual spending limit; and

WHEREAS, this calculation has always been perfunctory for the City of Chula Vista, since the proceeds of taxes for the City are far less than the statutory appropriation limit; and

WHEREAS, the State Department of Finance and the San Diego County Assessor's Office are charged with providing the data necessary for local jurisdictions to establish their appropriation limit; and

WHEREAS, according to these sources, for purposes of the fiscal year 2020-2021 calculation, the population increased 0.43 %, and

WHEREAS, California per capita personal income increased by 3.73% and new non-residential construction increased by 8.61% and; consequently new non-residential construction was used in the formula to compute the limit since this increase is the greater of the two amounts; and

WHEREAS, the fiscal year 2020-21 Appropriation Limit has been calculated to be \$1,073,873,608; and

WHEREAS, the "Proceeds of Taxes" as included in the fiscal year 2020-21 Proposed Budget that are subject to the appropriations limit are estimated to be \$151,169,281; and

WHEREAS, the City has what is referred to as an appropriation "gap" of \$922,704,327 (\$1,073,873,608 - \$151,169,281); and

Resolution No. 2019-____ Page 2

WHEREAS, this means that the City could collect and spend up to \$922,704,327 more in taxes during Fiscal Year 2020-2021 without exceeding the Constitutional limit.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Chula Vista does hereby establish an appropriations limit of \$1,073,873,608 for Fiscal Year 2020-21 pursuant to the requirements of Article XIIIB of the California Constitution and California Government Code section 7910.
