REGARDING ISSUANCE OF MULTIFAMILY HOUSING REVENUE BONDS

NOTICE IS HEREBY GIVEN that, at its regular meeting to be held at 4:00 p.m. on Tuesday, December 29, 2020, at the City Council Chambers of the City of Chula Vista, California (the "City") located at 276 Fourth Avenue, Chula Vista, California 91910, the City Manager of the City, as designee authorized by the City Council of the City (the "City Council") pursuant to Resolution No. 2020-248 on November 3, 2020, will conduct a public hearing as required by Section 147(f) of the Internal Revenue Code of 1986, as amended, at which time the City Manager will hear and consider information concerning the issuance by the Housing Authority of the City of Chula Vista (the "Authority") of multifamily housing revenue bonds (the "Bonds") for a proposed residential development. The proceeds from the sale of the Bonds, if issued, are intended to be used to finance the development of 200 affordable units known as "Columba Apartments" (the "Project"). Columba Apartments will be located at the Northwest Corner of Solstice Avenue and Optima Street within the Millenia ("Eastern Urban Center") master planned community. The Project will be developed, owned and operated by Millenia II CIC, LP, or another limited partnership affiliated with Chelsea Investment Corporation (the "Developer").

The Bonds (if any are issued) will be issued in an aggregate principal amount not to exceed \$60,000,000 for Columba Apartments. The Bonds for the Project may be issued in one or more series. The Bonds will not constitute a debt or obligation of the Authority, the City of Chula Vista, the State of California, or any other public body, or to be in any way payable from taxes or other public funds.

If the Bonds are issued, by law, at least 20 percent of the rental units in the Project is required to be available for occupancy by persons or families whose income does not exceed 50 percent of the median income for the San Diego, California Primary Metropolitan Statistical Area (the "Area"), or, alternatively, at least 40 percent of the rental units are required to be available for occupancy by persons or families whose income does not exceed 60 percent of the median income for the Area, in each case at affordable rents established by applicable State law. It is expected that the Authority will require that all but two of the units in the Project be made available to low income persons.
