Thus, no environmental review is necessary.

was sold prior to its maturity date. Four purchases were made to replace those investments and invest idle cash. Purchased investments include: two asset-backed securities issued by Honda (\$1,150,000) and Carmax (\$1,240,000); one treasury note (\$3,000,000); and one certificate of deposit (\$3,000,000). Public Financial Management (PFM), the City's investment advisor, continues to monitor the portfolio and will make recommendations as financial and economic conditions warrant. There is no further activity to report on other than routine investments by the City's fiscal agents.

On December 14, the Federal Open Market Committee (FOMC) raised the Fed Funds target range by 0.25% to a range of 0.50% to 0.75%. Two-year Treasuries yielding 0.76% at the beginning of the quarter ended higher at the end of the quarter at 1.19%.

At the end of this quarter, the weighted average maturity of the Managed Investment Portfolio was 1.94 years which is a decrease from 2.11 the previous quarter and is within the Council Policy.

DECISION-MAKER CONFLICT

Staff has determined that the action contemplated by this item is ministerial, secretarial, manual, or clerical in nature and, as such, does not require the **City Council** members to make or participate in making a governmental decision, pursuant to California Code of Regulations Title 2, section 18704(d) (1). Consequently, this item does not present a conflict of interest under the Political Reform Act (Cal. Gov't Code § 87100, et seq.).

Staff is not independently aware, and has not been informed by any **City Council** member, of any other fact that may constitute a basis for a decision maker conflict of interest in this matter.

LINK TO STRATEGIC GOALS

The City's Strategic Plan has five major goals: Operational Excellence, Economic Vitality, Healthy Community, Strong and Secure Neighborhoods and a Connected Community. The investment portfolio supports the Operational Excellence goal as it seeks to maintain the safety and liquidity of the City's cash while contributing investment earnings to the bottom line.

CURRENT YEAR FISCAL IMPACT

Considering the projected timing of cash receipts and disbursements and the structure of the Pooled Investment Portfolio, the City should be able to comfortably meet overall cash flow needs over the next six months. There is no direct fiscal impact by this action.

ONGOING FISCAL IMPACT

There is no ongoing fiscal impact by this action.
