DISCUSSION

Adopted on April 23, 2013 and accepted by the California Department of Housing and Community Development (State HCD) in June 2013, the City of Chula Vista's 2013-2020 Housing Element addresses the adequate housing needs and opportunities for present and future Chula Vista residents. Each year, the City must submit to State HCD a summary of its progress in implementing the policy and action programs outlined within the Housing Element based on the specified goals and objectives. The Chula Vista Housing Element 2017 Annual Progress Report, included as Attachment 1 (Executive Summary) and Attachment 2 (Required Housing Element Reporting Forms), provides

detailed information regarding the housing activities of the City of Chula Vista from January 1, 2017 through December 31, 2017.

California Government Code Section 65400 requires the report to include the following: (1) progress in meeting the Regional Housing Need; (2) the effectiveness of the Housing Element in the attainment of the community's housing goals and objectives; and (3) progress toward mitigating governmental constraints identified in the Housing Element. This Report provides detailed information regarding the housing activities of the City of Chula Vista from January 1, 2017 through December 31, 2017. Although no building permits were issued for the reporting period, the City's Housing Authority, acting as the Successor Housing Agency, provided financial assistance for the development of an approximately 47 multi-family residential units for families. Other accomplishments include the following by program:

Program Name	Number of Participants
First Time Homebuyer Program	13
Tenant Based Rental Assistance	14
Rapid Re-Housing (Homeless)	10
Homeless Prevention (At Risk of Homeless)	6
Community Housing Improvement Program	2

In addition, 792 residential complaints were responded to by code enforcement in 2017, with 60 complaints related to abandoned residential properties. All of these programs and services resulted in increased affordability and safer housing conditions for Chula Vista residents.

On January 1, 2014, Senate Bill 341 (SB341) became effective, amending California Health & Safety Code (HSC) Section 34176.1. HSC Section 34176.1(f) requires each housing successor agency that assumed the housing functions of a former redevelopment agency to prepare financial statements for the redevelopment housing agency, post a separate report on its website containing information regarding the housing and financial activities of the Low- and Moderate-Income Housing Asset Fund (LMIHAF) of the former redevelopment agency for the previous year and to include such report in its Annual Progress Report on the implementation of the City's Housing Element to be submitted annually to State HCD by April 1.

The Housing Successor Annual Report for Fiscal Year 2016-2017, along with the independent financial audit of the LMIHAF as prepared by the independent audit firm of Lance Soll & Lunghard LLP, is included in Attachment 3.

DECISION-MAKER CONFLICT

Staff has reviewed the decision contemplated by this action and has determined that it is not site-specific and consequently, the 500-foot rule found in California Code of Regulations Title 2, section 18702.2(a)(11), is not applicable to this decision for purposes of determining a disqualifying real property-related financial conflict of interest under the Political Reform Act (Cal. Gov't Code § 87100, et seq.).

Staff is not independently aware, and has not been informed by any City Council member/Housing Authority Commissioner, of any other fact that may constitute a basis for a decision maker conflict of

interest in this matter.

LINK TO STRATEGIC GOALS

The City's Strategic Plan has five major goals: Operational Excellence, Economic Vitality, Healthy Community, Strong and Secure Neighborhoods and a Connected Community. The 2013-2020 Housing Element update engaged the community in order to establish a seven-year strategy of housing policies and programs for the enhancement and preservation of the community's character, expansion of housing opportunities for the City's various economic segments, and to guide local decision making related to housing. The nature of these activities is consistent with the Goals, Strategies and Initiatives in a Connected Community.

CURRENT YEAR FISCAL IMPACT

All staff time and costs to prepare this report were included in the adopted fiscal year 2017-2018 Housing Authority budget. No additional appropriations are required.

ONGOING FISCAL IMPACT

There are no ongoing fiscal impacts related to this item.
